

MILITARY ORDER OF THE PURPLE HEART  
NORTHEAST GEORGIA CHAPTER 531

County Commissioner/City Councilman

The Northeast Georgia Chapter of the Military Order of the Purple Heart (MOPH) would like to request that you consider becoming a Purple Heart Community. This is a National endeavor by the MOPH. Several of your surrounding communities as well as the State of Georgia have already proclaimed they are Purple Heart Communities by passing a Proclamation/Resolution accordingly. (Attached is a list of those Communities. Also, copies of those Proclamations can be provided upon request.)

In passing this Proclamation/Resolution you would be showing your Communities admiration and the utmost gratitude for all the men and women who have selflessly served their country and their community in the armed services, especially those wounded in combat and receiving the Purple Heart.

There are no costs involved unless you would like to post signs at the entrance to your community proudly advertising that you are a Purple Heart Community. In addition, our Chapter would like to support you in any Veteran activities where you feel we could best serve those needs.

To best coordinate with you, MOPH Patriots will be selected that live in or near your Community to coordinate with you. Their names and contact information will be provided upon your request.

If you have any questions or need additional information, please contact me.
